

WHY CAMPING IS BAD

Something you should already know, but I'll reiterate

WHAT IS CAMPING?

Camping is an [outdoor activity](#) involving **overnight stays away from home** in a shelter, such as a [tent](#). Generally participants leave developed areas to spend time outdoors in more natural ones in pursuit of activities providing them enjoyment. To be regarded as "camping" a minimum of one night is spent outdoors, distinguishing it from day-tripping, picnicking, and other similarly short-term recreational activities. Camping can be enjoyed through all four seasons.
